Rediscover the magic of one of Britain's best loved liners - The Queen Elizabeth II. Reminiscent of the days of the QE2/Concorde Journeys to and from New York, this Expedition to Dubai is a perfect treat for your loved one on Valentines Day.

The Queen Elizabeth 2, or QE2 as she is commonly known was the flagship of the Cunard Line for nearly 40 years. QE2 made her maiden voyage in 1969 and was one of the last great Transatlantic liners.

At 70,327 tons and 963 feet long with a top speed of 32.5 knots she is also one of the fastest and grandest passenger vessels ever built. QE2 is arguably the most famous liner in the world. She was retired from service in 2008 and is now permanently docked in Dubai as a luxurious floating hotel reminiscent of a bygone era.

Many of her original features have been retained affording today's traveller the possibility of time travel.

Relive the magic of a bygone era

Rediscover a much loved legend in buzzing Dubai

Day One continued.

A traditional afternoon tea is served prior to landing in Dubai. We transfer to the Port to board the historic **Queen Elizabeth II**, our home for the next three nights.

A late buffet dinner has been arranged for us onboard this evening.

Day Two

Enjoy a sumptuous breakfast on-board Queen Elizabeth II this morning before departing on your pre-selected half-day excursion. A key element of a Colonial Expedition is the ability to **Personalize Your Day**. We realize that not all guests are the same, we also like to avoid large group tours and thus have a great programme of activities this morning for you to choose from in line with your own personal interests.

For guests visiting Dubai for the first time, take our orientational City tour

visiting some of the great highlights of this incredible modern city. For the adrenalin junkies, our Dune Raiders experience pits your skills against the desert in a 4x4, a more sedate desert safari takes you out of the city and into the spectacular desertscape.

We offer an interesting insight into **Bedouin** society and culture with our Bedouin Safari and for the fishermen, try our fishing expedition on the Arabian Gulf. Put on your aprons for a more unusual cooking experience behind the scenes at Jamie's Italian!

Lunch isn't included today as many guests will want to be out and about in Dubai and you have an afternoon free to explore, hit the malls or relax on deck.

This evening a very special Valentine's experience on board the QEII with a bottle of bubbly!

Day Three

After breakfast you have a day at leisure in Dubai. We will be operating a complimentary shuttle service to a nearby **Beach Resort** Hotel where you will have full access to the facilities during the day.

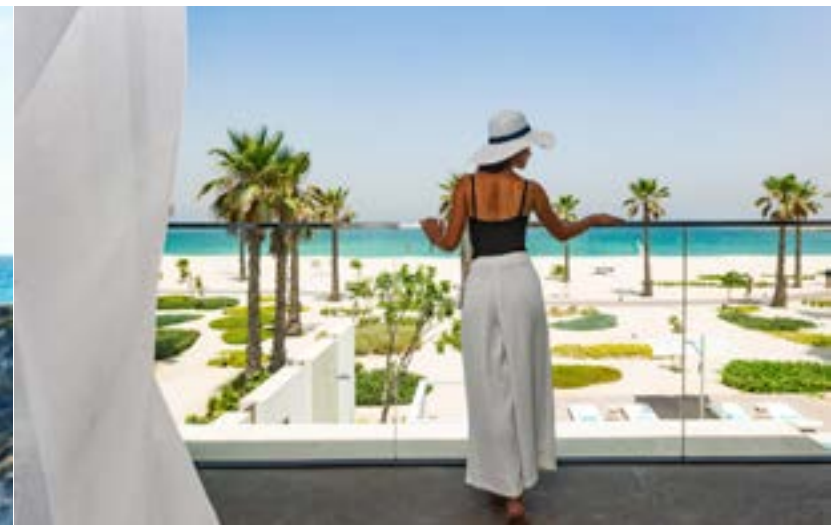

This evening live the life of a sultan come dinnertime at **Qasr Al Sultan**, a new desert-dining spot that promises a grand showcase of Arabian heritage. Be a royal guest at the palace for an evening of culture, nature and good food in the land of Arabia

Day Four

After breakfast we transfer to the airport to rejoin the crew of our **Private Jet** for our return flight to London Stansted. We have a special treat in store today en-route back to London. In true **jet-set fashion** we make a stop on the beautiful island of **Cyprus**. Instead of lunch on-board, we leave the aircraft and dine at a traditional Cypriot Taverna before returning to the aircraft and continuing on our way to London.

We land early-evening at London Stansted's **Private Jet Terminal** with memories to last a lifetime.

| A Unique Style of Travel

Every aspect of your journey has been considered. We often travel to destinations not easily reached on a standard itinerary, pioneering our own routes in style and comfort aboard our spacious, all-business class aircraft. Our highly trained flight crews provide the very best in onboard service while our Ground Services Teams smooth your passage through exotic locations.

Where necessary, we travel with our own Physician and Security Personnel. Our Flying Porters take care of your luggage leaving you free to enjoy the journey. Our Expedition Leaders are well travelled and have years of experience in leading groups to the far flung corners of the globe.

| Stylish Accommodations

Many of the hotels and lodges featured on our Expeditions are the same establishments that the original jetset enjoyed on their globetrotting travels. Spacious verandah's, warm tropical breezes, genuine and courteous service, fragrant gardens and spacious, comfortable rooms and suites are hallmarks of the traditional accommodations you will enjoy with Journeys by Jet.

We like hotels that have a history, that tell a story. Many are famous in their own right. We'll drink in their history, absorb their atmosphere and imagine the characters who have travelled these routes before us.

| We include just about everything

One of the real luxuries of travelling with us is we include just about everything so you don't have to worry. You won't have to pay the porter or tip the waiter, pay for a tour or scramble for local currency to pay for a lunch. We include all meals and drinks with meals (unless listed otherwise), gratuities, tours, flights, accommodation, entertainment and events, visa charges (where possible) and aim to smooth your way through customs and immigration formalities wherever we can.

We will assist you with obtaining the obligatory travel insurance and help with immigration requirements and visas.
